WESTFIELD BANK

Your Western Mass Pioneers are getting ready for the USL League Two 2024 season! The USL Winter Meetings are right around the corner. The Pioneers are working hard on improving their 10-1-3 record and their goals of advancing to the Conference finals.

The Pioneers are proving that they are developing soccer starts. Pioneers and UMass player Alec Hughes was named Atlantic 10 Offensive Player of the Year. Hughes earned the honor for the second consecutive year, joining Jeff Deren as the only Minuteman to receive the award in back-to-back seasons. Deren is also a former Pioneers superstar.

São Martinho Festa / Pig Roast

On November 10, more than 150 people filled Lusitano Pavilion in celebration of S. Martin's day with a traditional pig roast! Special thanks go out to Valdy Santos who spent the day tending to the fire, to Bill Casimiro and his team of kitchen volunteers who prepared a wonderful dinner consisting of roast pork, bacalhau a lagareiro, roasted chicken, rice and potatoes, and also our bartenders that kept the wine and drinks flowing all night. Desserts were graciously provided by Chmura's Bakery. DJ Dave Costa provided music and entertainment for the evening. Of course, we couldn't forget the castanhas (chestnuts)!
