Western Mass Pioneers Update

Your Western Mass Pioneers are getting ready for another action packed USL League Two season! The coaching staff is working hard on identifying the best players to represent the team at historic Lusitano Stadium. The schedule is close to being finalized, and will be released soon. League play starts in the middle of May.

For the first time ever, two Pioneers players were selected in the MLS draft! Patrick Agyemang was drafted #12 by new franchise Charlotte Football Club. A tall, strong striker, Patrick had an amazing 2021 season with the Pioneers. Superstar Portuguese forward Braudilio Rodrigues was selected in the second round by New York City FC. In 2022, Braudilio was the Pioneers top scorer with 10 goals and made the All-League Team.
